Initial settings for your account

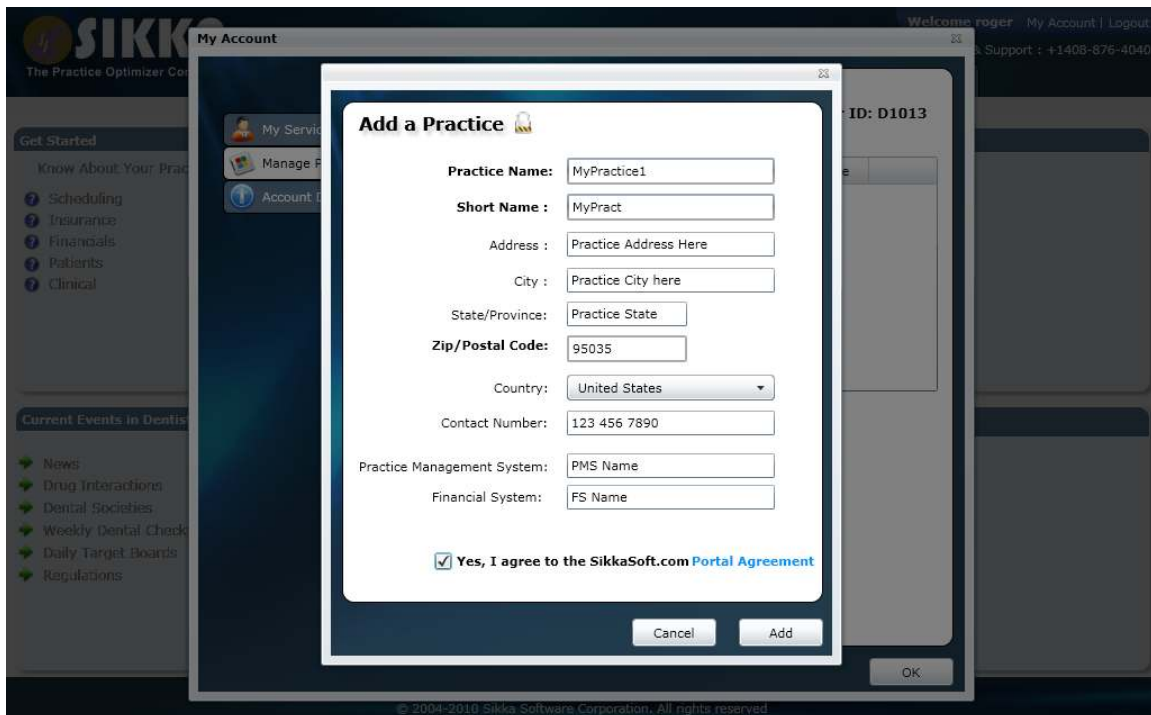

Step 5: My Account Settings

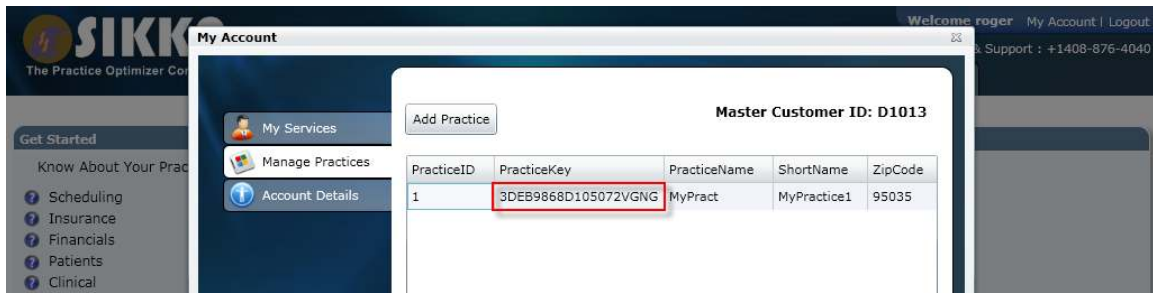

Step 6: My Account Settings

Step 7: Add a Practice

Step 8: Your Practice Information

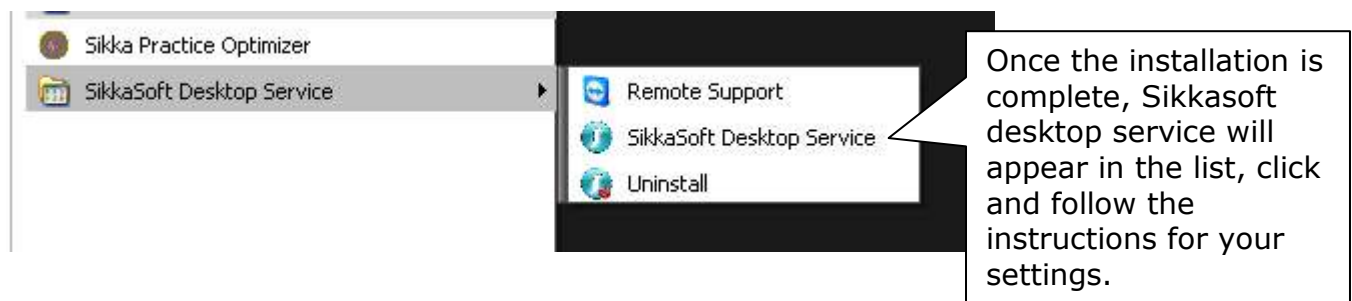

Step 9: Download SikkaSoft Desktop Utility from the following link.

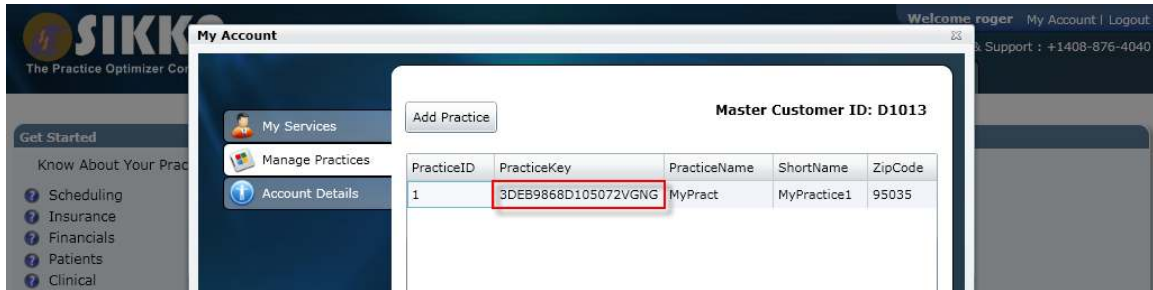

<http://sscsetups.s3.amazonaws.com/ServiceSetup.exe>

Step 10: Settings

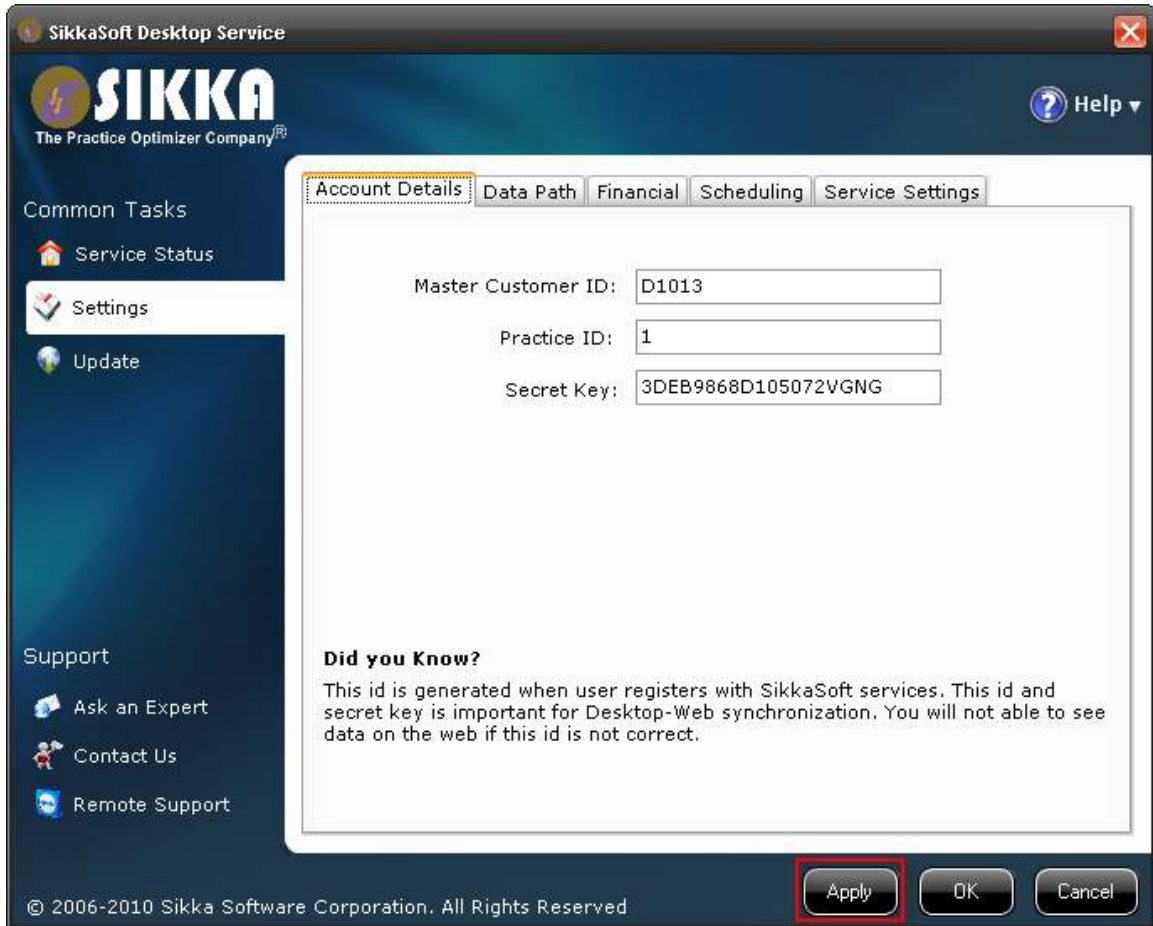

Step 11: Go back to step 8 to find your practice information which you will require to fill when you click the account details

The screenshot shows a web interface for 'My Account' with a sidebar menu and a main content area. The main content area displays a table of practice information. The 'PracticeKey' column for the first row is highlighted with a red box.

PracticeID	PracticeKey	PracticeName	ShortName	ZipCode
1	3DEB9868D105072VGNG	MyPract	MyPractice1	95035

The screenshot shows the 'SikkaSoft Desktop Service' application window. The 'Account Details' tab is selected, and the 'Apply' button is highlighted with a red box.

Account Details | Data Path | Financial | Scheduling | Service Settings

Master Customer ID:

Practice ID:

Secret Key:

Did you Know?
This id is generated when user registers with SikkaSoft services. This id and secret key is important for Desktop-Web synchronization. You will not able to see data on the web if this id is not correct.

Apply OK Cancel

Step 12: Data Path

The screenshot shows the 'SikkaSoft Desktop Service' window with the 'Data Path' tab selected. The interface includes a sidebar with 'Common Tasks' (Service Status, Settings, Update) and 'Support' (Ask an Expert, Contact Us, Remote Support). The main area contains the following settings:

- Practice Management System : Dentrix
- Version : V14.0
- Data Path : \\Pmsserver\PMS Data\Dentrix14\C
- User Name : [Empty]
- Password : [Empty]

Did you Know?
Using these settings , SikkaSoft service imports data from Practice Management System. Accuracy of data imported from Practice Management System depends on above settings.

Buttons: Apply, OK, Cancel
