

# SIKKA PAYMENTS

## Accept Patient Payments in Friendly Social Distancing Ways

Sikka Payments with Sphere is your end-to-end payments solution! Integrated directly into your practice management system, it provides patients with options on how they pay you, and streamlines your practice collections and payment acceptance, at the best price.

Sign up now **RISK FREE** for 30 days! If you're not 100% satisfied, cancel at no cost!

### EMPOWER

Patients to Pay Anytime, Anywhere

Initiate a text payment pre- or post- service

### PRIORITIZE

Health & Safety

Mobile payment options protect your staff and patients while satisfying social distancing regulations

### SAVE

Time & Money

Make fewer collection calls and send fewer paper statements. All at the best rates!

### INTEGRATE

Payments into your PMS

Payments post automatically to your practice management system, eliminating mistakes from double entry

### ACCELERATE

Payment Collections

Improve on-time payments! It's easy for patients to pay on-time or before their appointments with mobile app & text reminders

### PROTECT

Valuable Patient Information

Full PCI compliance with transaction security for all card payments with PCI and HIPAA compliance

## Make it easier to get paid with more options for your clients!

With Sikka Payments, patients can pay:

- In advance of treatment
- In the exam room
- In the parking lot
- Via mobile app, Text2Pay or web
- Installments and recurring payments

## Why Sikka Software and Sphere\*?

With over 35,000 dental practice customers, Sikka Software is the leader in providing solutions that optimize the business of healthcare with connectivity, applications, and insights. Sphere, the leading provider of end-to-end integrated payments and security software for the retail healthcare market, provides secure commerce solutions which enable practices to process highly secure and compliant transactions.

Together, Sikka and Sphere deliver a payments platform, Sikka Payments, which integrates Sphere technology and merchant processing with Sikka's payment application and seamless integration for a complete solution that spans the payments needs of a dental practice.

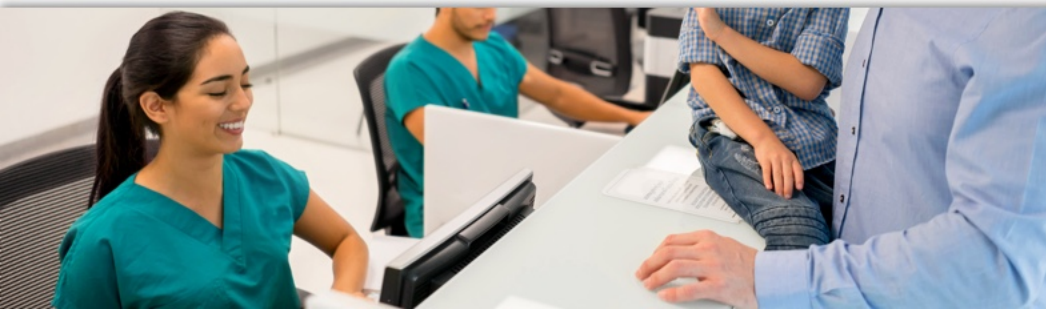

\*SphereCommerce, LLC is a registered ISO/MSP of Merrick Bank, South Jordan, UT.

## PatientPay

With our PatientPay mobile app for Android and iPhone, patients have the flexibility they expect in a mobile experience, view their upcoming appointments, and pay directly in the app, either in advance of, or on the day of, the appointment.

**Patients can download PatientPay for FREE now!**
